OBJECTIVE

MCA student with a strong foundation in Python programming, SQL, and problem-solving. Hands-on experience in academic projects and web development. Eager to learn new technologies and apply programming skills to real-world projects. Seeking a Python Developer Internship to gain practical experience and contribute to software development.

EDUCATION

Master of Computer Applications (MCA), 2025 – 2027
RCPET's Institute Of Management Research And Development Shirpur Shirpur
- CGPA: 9.65

Bachelor of Computer Applications(BCA), 2022 – 2025
RCPET's Institute Of Management Research And Development Shirpur Shirpur
- CGPA : 9.62

Higher Secondary Certificate Board (HSC), *Mukeshbhai R. Patel Boys & Girls* 2021 – 2022
Military School And Junior College Of Science, Thande,Shirpur. Tande, Shirpur
- (90.83%)

SKILLS

Technical Skill: Python, SQL, Big Data ,Power BI, Tableau, Gen AI ,DBMS , Advance Excel, HTML.
Data Analysis & Visualization: Power BI, Tableau, Advanced Excel, Data Visualization
Professional Skills: Analytical Thinking, Problem-Solving, Teamwork, Leadership

INTERNSHIP

R Programming Session Instructor, *MauliKavyanshu Foundation* 06/2026 – 07/2026
- Conducted R Programming workshop sessions covering programming fundamentals, data analysis, and data visualization.
- Demonstrated data manipulation with dplyr and visualization with ggplot2 through practical exercises and examples.

Front-End Developer Intern, *SLMT Technology Pvt. Ltd.* 05/2024 – 08/2025
Shirpur
- Contributed to the development of the company website as a front-end developer.
- Supported HR-related tasks for the Data Analyst team alongside website development responsibilities.

PERSONAL PROJECTS

Smart Career Platform 2026
- Worked on a platform concept connecting students with career opportunities through skill mapping and internship or placement support.
- Project scope includes career matching and identifying potential warning signs in suspicious job or internship offers.

Personal Data Security in the Digital Age 2026
- Contributed to research on personal data security and privacy in the digital age.
- Published research paper in the International Research Fellows Association's Research Journey Multidisciplinary International E-Research Journal.

Portfolio Website 2026
Created a portfolio to showcase technical skills and academic projects.

Olympic Games Dashboard (1896–2022) 2025
- Created a dashboard to explore Olympic Games data across the 1896–2022 period.
- Used data visualization to present trends and comparisons in the dataset.

Signature Detection 2024
Completed an academic project focused on signature detection.

CERTIFICATIONS & ACTIVITIES

- 6 hour Code Carnival 1.0 Hackathon
- IJLTEMAS (Research Paper Published)
- University Level Aavishkar Certificate
- 3 Month Web Development Internship Certificate
- Computer Society of India (CSI) Student Branch
- Avishkar (Institute level) 3rd rank

ACHIEVEMENT

Published Research Paper in One Day National Level Conference 2026
(Personal Data Security in the Digital Age)
Published a research paper exploring the importance of personal data privacy, security, and protection in the digital era.

Published Research Paper in IJLTEMAS 08/2024
(**AI-Based Smart Supervision System**)
Developed an AI-based system to monitor activities, detect unusual behavior, and improve safety through intelligent supervision and real-time alerts.

Data Hack 1.0 (2nd rank) 2024

One Day National Conference (Presented Research Paper) 2024
